VOLUNTEER INTEREST FORM

The Board of the West Michigan Historical Alliance are seeking volunteers who want to assist with the Feast of the Strawberry Moon Living History Event held in Grand Haven MI. We are always grateful for the help from our community in putting together this awesome event each year.

2025 Feast of the Strawberry Moon
June 14th (9 am to 5 pm) and June 15th (9 am to 4 pm)
Harbor Island, Grand Haven, MI

Volunteers are needed in many capacities before, during, and after the event. We always need help for event set up on Thursday and Friday before we open to the public. This includes putting up tents and setting up period structures. During our public days of Saturday and Sunday we have a variety of opportunities. Some positions require dressing in period clothing, but if clothing is needed we do have a selection of items you can borrow for your shift. On Sunday afternoon after close and Monday we need volunteers to take down what was assembled on Thursday and Friday.

If you or someone you know is interested in helping, please return the information below and you will be contacted. All volunteers attend the event FREE of charge to thank you for your assistance.

For additional information or questions, contact Ann Anys, Volunteer Coordinator at 616-402-5563 or email annanyshr@gmail.com.
